

Give a Child a   
...it's where they belong!! family

# NEWS FLASH

March 2015

The first quarter of 2015 has almost come and gone, and already we have placed 5 children back into families and 20 families are currently being trained through our Family Strengthening Program, which includes: Parenting Skills, Coping with Grief and Bereavement & Healthy Living.

*On a quick note: We congratulate our resident Peacock and Peahen on welcoming 3 new babies "Peas" to our family.*

For those of you who missed last month's newsletter, we would just like to remind you that in 2015 we are trying to raise funds to *purchase 2 rural terrain equipped community vehicles*, so that we can continue the much needed work in an areas that are so in need of our support like our training, child protection and families at risk programs.

So if you are looking to make the world a better place in 2015, we are appealing to you to help out with donating any "loose change" or "spare bucks" you may have. We would "wheelly" "wheelly" appreciate it!!!
